

The PPCC Zoo Program Cordially Invites You:

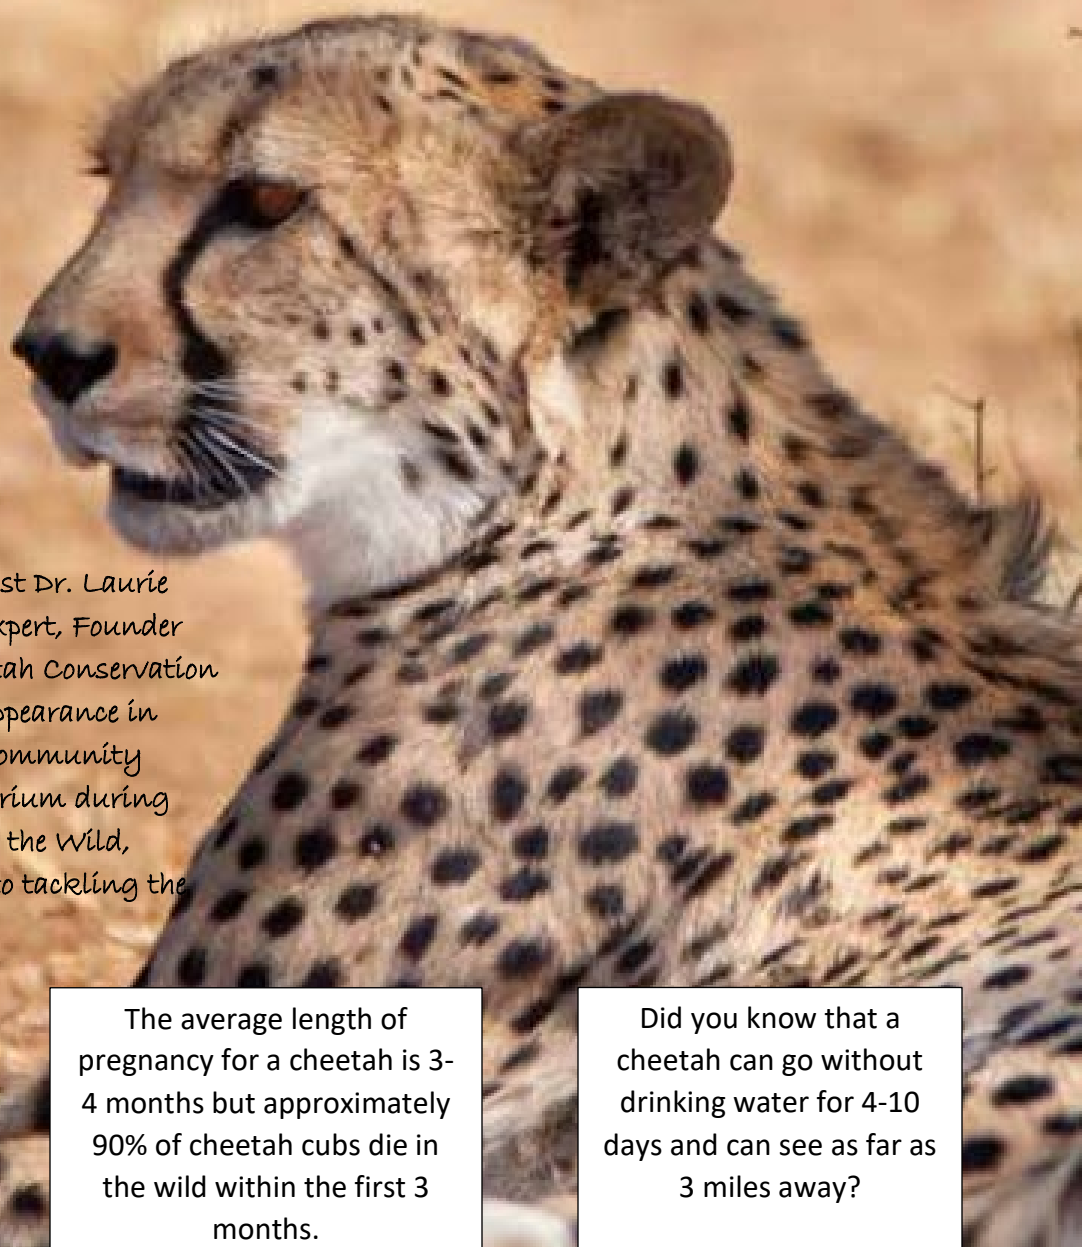

A Conservation Conversation

Date & Time: April 27, 2022 at 9:00AM

Location: Centennial Campus – Atrium

Pikes Peak Community College

5675 S. Academy Blvd. Colorado Springs, CO 80906

A rare public talk with special guest Dr. Laurie Marker, world renowned cheetah expert, Founder and Executive Director of the Cheetah Conservation Fund. Dr. Marker will make an appearance in Colorado Springs at Pikes Peak Community College - Centennial Campus - Atrium during her 2022 U.S. Spring Tour, "Keep the Wild, Wild." to discuss CCF's approach to tackling the Illegal Wildlife Trade of Cheetahs.

Did you know that Cheetahs can weigh 80-120 pounds and can run at speeds of up to 70 miles per hour?

The average length of pregnancy for a cheetah is 3-4 months but approximately 90% of cheetah cubs die in the wild within the first 3 months.

Did you know that a cheetah can go without drinking water for 4-10 days and can see as far as 3 miles away?
