

Afternoon Sailing

With Dr. Laurie Marker

Sail across San Francisco Bay aboard the majestic Empress Yacht alongside Dr. Laurie Marker, the founder of the Cheetah Conservation Fund, and fellow passionate conservationists who share a deep love for these magnificent big cats. You'll be treated to breathtaking panoramic views of Alcatraz Island, the Golden Gate Bridge, and the San Francisco skyline.

So bring your friends and family and enjoy this unique experience where you will be supporting the efforts to save the cheetah and lift up the communities of people that live alongside them.
