## 1. Introduction

Our website, <https://cheetah.org> (hereinafter: "the website") uses cookies and other related technologies (for convenience all technologies are referred to as "cookies"). Cookies are also placed by third parties we have engaged. In the document below we inform you about the use of cookies on our website.

We do not sell or share personal information to third parties for monetary consideration; however, we may disclose certain personal information to third parties under circumstances that might be deemed a "sale" or "Sharing" for residents of California (CPRA), Colorado (CPA), Connecticut (CTDPA), Delaware (PDPA), Indiana (ICDPA), Iowa (CDPA), Kentucky (KCDPA), Maryland (MODPA), Minnesota (MCDPA), Montana (MCDPA), Nebraska (DPA), Nevada (NRS 603A), New Hampshire (DPA), New Jersey (DPL), Oregon (OCPA), Rhode Island (DTPPA), Tennessee (TIPA), Texas (TDPSA), Utah (UCPA) and Virginia (CDPA). We respect and understand that you may want to be sure that your personal information is not being sold or shared. You may request that we exclude your personal information from such arrangements, or direct us to limit the use and disclosure of possible sensitive personal information, by entering your name and email address below. You may need to provide additional identifying information before we can process your request.

## 2. Cookies

When you visit our website it can be necessary to store and/or read certain data from your device by using technologies such as cookies.

### 2.1 Technical or functional cookies

Some cookies ensure that certain parts of the website work properly and that your user preferences remain known. By placing functional cookies, we make it easier for you to visit our website. This way, you do not need to repeatedly enter the same information when visiting our website and, for example, the items remain in your shopping cart until you have paid. We may place these cookies without your consent.

## 2.2 Statistics cookies

We use statistics cookies to optimize the website experience for our users. With these statistics cookies we get insights in the usage of our website.

## 2.3 Marketing/Tracking cookies

Marketing/Tracking cookies are cookies or any other form of local storage, used to create user profiles to display advertising or to track the user on this website or across several websites for similar marketing purposes.

## 2.4 Social media

On our website, we have included content from Facebook, TikTok, Instagram, X (Formerly Twitter), Pinterest and LinkedIn to promote web pages (e.g. "like", "pin") or share (e.g. "tweet") on social networks like Facebook, TikTok, Instagram, X (Formerly Twitter), Pinterest and LinkedIn. This content is embedded with code derived from Facebook, TikTok, Instagram, X (Formerly Twitter), Pinterest and LinkedIn and places cookies. This content might store and process certain information for personalized advertising.

Please read the privacy statement of these social networks (which can change regularly) to read what they do with your (personal) data which they process using these cookies. The data that is retrieved is anonymized as much as possible. Facebook, TikTok, Instagram, X (Formerly Twitter), Pinterest and LinkedIn are located in the United States.

## 3. Placed cookies

Most of these technologies have a function, a purpose, and an expiration period.

1. A function is a particular task a technology has. So a function can be to "store certain data."
2. Purpose is "the Why" behind the function. Maybe the data is stored because it is needed for statistics.
3. The expiration period shows the length of the period the used technology can "store or read certain data."
