

Walk4Wildlife is CHANGING direction!

Join us in the first UK Walk4Wildlife event and help #savethecheetah from extinction

Walk4Wildlife is tracking a new course! It is now open to ALL cheetah lovers and wildlife conservationists UK-wide, from Land's End to John O'Groats and everywhere in between!

By getting involved any time between **2nd April and 30th September 2016** in a cheetah-inspired walk, you will be helping to raise crucial funds to help save the most endangered big cat in Africa.

So come on, local ramblers, hikers, crawlers and strollers, joining an organized walk or coming up with a creative way to participate, will move us one BIG step closer; towards a safer future for the cheetah.

[Walk4Wildlife](#) will help you get started. To sign up and reserve your place with Walk4Wildlife click on [JOIN THE WALK](#). Every walker who [registers](#) will have the chance to win an all expenses paid trip to visit Cheetah Conservation Fund's HQ in Namibia and experience conservation in action! For the walker who raises the most money for [CCF UK](#), multi-award winning wildlife photographer, Angie Scott, is offering a unique signed cheetah photograph, worth over £1000. Further incentives for the team that raises the most money include a Livestock Guarding Dog puppy, (born and bred at CCF HQ in Namibia), named after them!

Help us to rebalance our delicate ecosystem and save the cheetah. By taking part you can help to save the cheetah AND save the planet.

For further information about the work of Cheetah Conservation Fund in Namibia, please contact [CCF UK](#)

PLEASE NOTE: There is a £15 registration fee and a minimum sponsorship of £150. Set up your own fundraising page at [BT MyDonate](#)

THANK YOU!
